The detailed allocation of funding by program area and activity for the National Park Service account is included in the table at the end of this section of the statement. The amounts in this bill will support 20,923 full time equivalent (FTE) positions throughout the National Park Service, an increase of 622 FTE's over the number funded in 2008. This includes continuation of funding for the 3,000 new seasonal positions added in fiscal year 2008. Savings in personnel and contracting costs of \$9,855,000 compared to the request have been realized due to delayed enactment of the 2009 appropriations. In addition, the bill includes the following specific funding levels and directions:

*Visitor Services.*—Within the amounts provided for visitor services, the bill assumes an increase of \$3,300,000 above the amounts requested in the President's budget for the National Park Service portion of an expanded law enforcement effort to eradicate drug production and related activities on public lands.

*Park Support.*—The bill assumes funding of \$11,000,000 for the National Trail System, and \$1,750,000 for the Wild and Scenic Rivers program.

*U.S. Park Police.*—The \$96,555,000 provided in the bill for the U.S. Park Police annual operations budget includes sufficient funding for two additional recruit classes during 2009. In addition the bill includes the \$2,000,000 for security costs associated with the 2009 Presidential Inauguration.

*Gettysburg National Military Park (NMP).*—\$200,000 is provided to continue the restoration of historic battlefield landscaping at Gettysburg NMP.

*National Mall Concerts.*—The bill includes funding to continue support for the National Mall concerts program at the fiscal year 2008 level.

*Youth Conservation Corps (YCC) and Public Lands Corps (PLC).*—The bill includes not less than \$3,000,000 of funding in this account for projects to be carried out by the YCC program and not less than \$3,000,000 for projects carried out by the PLC. The Committees on Appropriations are fully supportive of these partnership programs, as well as similar partnership arrangements with the Student Conservation Association, and encourages expansion of these programs in 2009.

*Special Resource Studies.*—The bill includes sufficient funding to carry out all special resource studies authorized by law during the 110th and previous Congresses.

*Harpers Ferry NHP.*—The Committees on Appropriations appreciate the Service's efforts to commemorate the 150th anniversary of John Brown's raid on the arsenal at Harpers Ferry National Historical Park, and authorize the use of up to \$300,000 to defray the costs of the extensive events that will surround the anniversary.

*Traditional and Folk Arts Heritage Programs.*—The bill includes funding to continue National Park Service support of traditional and folk arts programs at parks whose mission includes preservation of these heritage traditions. The Committees are fully supportive of this important partnership program and encourage the National Park Service to expand its support of these programs in fiscal year 2009.

*Haleakala National Park.*—The Committees on Appropriations are aware and supportive of the potential development of an Advanced Technology Solar Telescope (ATST) within the Haleakala High Altitude Observatories site at the summit of Haleakala, Maui, Hawaii. As the proposed ATST construction site can only be accessed via a road through the Haleakala National Park, the Service is expected to work cooperatively with the National Science Foundation to effectuate the issuance of a Special Use Permit as soon as possible. In turn, the Foundation is expected to complete its analysis on the effects to service standards in a timely fashion so that the Service can fully comply with all procedural requirements, with a goal of completing the permitting process within 150 days of enactment of this Act.
