DEPARTMENTS OF TRANSPORTATION AND HOUSING AND  
URBAN DEVELOPMENT, AND RELATED AGENCIES AP-  
PROPRIATIONS ACT, 2010

DECEMBER 8, 2009.—Ordered to be printed

Mr. OLVER, from the committee of conference,  
submitted the following

CONFERENCE REPORT

[To accompany H.R. 3288]

The committee of conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 3288), making appropriations for the Departments of Transportation and Housing and Urban Development, and related agencies for the fiscal year ending September 30, 2010, and for other purposes, having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses as follows:

That the House recede from its disagreement to the amendment of the Senate and agree to the same with an amendment as follows:

In lieu of the matter proposed to be inserted by the Senate amendment, insert the following:

**SECTION 1. SHORT TITLE**

*This Act may be cited as the “Consolidated Appropriations Act, 2010”.*

**SEC. 2. TABLE OF CONTENTS.**

*The table of contents of this Act is as follows:*

- Sec. 1. Short title.*
- Sec. 2. Table of contents.*
- Sec. 3. References.*
- Sec. 4. Statement of appropriations.*

**DIVISION A—TRANSPORTATION, HOUSING AND URBAN DEVELOPMENT,  
AND RELATED AGENCIES APPROPRIATIONS ACT, 2010**

- Title I—Department of Transportation*
- Title II—Department of Housing and Urban Development*
- Title III—Related agencies*
- Title IV—General provisions—This Act*

be established at the levels identified above to proactively enforce the reprogramming thresholds. The conferees request a detailed explanation and timeline in the 2011 congressional budget justification describing how the NIH enterprise system will proactively ensure full compliance with the reprogramming thresholds.

The conferees expect that NIH will work to strengthen its policy of supporting AIDS and non-AIDS research funding allocations at the current relative rate when allocating the second year of Recovery Act funding. House Report 111–220 had similar language. The Senate did not include comparable language.

BUILDINGS AND FACILITIES

The conference agreement includes sufficient funding to support the construction of the Northwest Child Care Center on the Bethesda campus as proposed in House Report 111–220. The Senate did not include comparable language.

SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION

SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES

The conference agreement includes \$3,431,624,000 for Substance Abuse and Mental Health Services instead of \$3,419,438,000 as proposed by the House and \$3,429,782,000 as proposed by the Senate. In addition, the conference agreement makes available \$131,585,000 under section 241 of the Public Health Service (PHS) Act, which is the same as both the House and Senate.

Within the total provided for Programs of Regional and National Significance across the Substance Abuse and Mental Health Services Administration (SAMHSA), the conference agreement includes \$4,897,000 for the Minority Fellowship Program instead of \$5,093,000 as proposed by the House and \$4,701,000 as proposed by the Senate. The distribution of these funds between the Center for Mental Health Services (CMHS), the Center for Substance Abuse Treatment (CSAT), and the Center for Substance Abuse Prevention (CSAP) is detailed later in this statement.

*Center for Mental Health Services*

*Programs of Regional and National Significance*

Within the total provided for CMHS Programs of Regional and National Significance, the conference agreement includes the following amounts:

Within the increase provided for the National Traumatic Stress Network above the fiscal year 2009 funding level, the conference agreement includes \$1,800,000 to fund additional adaptation centers, which help apply general principles of trauma services to particular populations. The conferees are particularly interested in ensuring that there will be an adaptation center focused on domestic violence and child abuse. Neither the House nor the Senate proposed similar language.

The conference agreement includes \$1,000,000 above the fiscal year 2009 funding level to the National Center for Child Traumatic Stress for data analysis and reporting activities that improve evidence-based practices and raise the standard of trauma care. The conferees expect that any data collected using funds provided under this program shall be submitted to SAMHSA. The Senate proposed similar language.

The conference agreement includes \$5,000,000 for a new Community Resilience and Recovery Initiative, as proposed by the House. The Senate did not propose similar language. According to SAMHSA, economic problems create additional emotional stress leading to increased suicide, crime, domestic violence, child neglect and abuse, and alcohol and drug problems. This new initiative will take advantage of SAMHSA's experience in providing services in local communities to support evidence-based programs to help address the emotional stress and the resultant behaviors.

Within the \$14,518,000 included in the conference agreement, \$5,975,000 shall be used for the following projects in the following amounts:

As proposed by the Senate, the increase provided above the fiscal year 2009 funding level for children and families is for evidence-based adolescent substance abuse treatment. The increase shall be used for treatment approaches that have been shown in rigorous evaluations to be effective for adolescents, that are implemented with fidelity to the original model, and that address geographic areas with unmet needs. The House did not propose similar language.

Within the \$14,518,000 included in the conference agreement, \$4,593,000 shall be used for the following projects in the following amounts:

Project	Amount
A Safe Haven Foundation, Chicago, IL for behavioral health services for individuals affected by substance abuse .....	\$300,000

## AGENCY FOR HEALTHCARE RESEARCH AND QUALITY

### HEALTHCARE RESEARCH AND QUALITY

The conference agreement includes a program level of \$397,053,000 for the Agency for Healthcare Research and Quality (AHRQ) instead of \$372,053,000 as proposed by both the House and Senate. The conference agreement makes these funds fully available through section 241 of the Public Health Service (PHS) Act.

Within the total for Research on Health Costs, Quality and Outcomes, the conference agreement includes \$21,000,000 for Patient-Centered Health Research instead of \$12,500,000 as proposed by the House and \$50,000,000 as proposed by the Senate. Of the funding provided, \$12,500,000 is to cover the continuation costs of current research grants and \$8,500,000 is for the Developing Evidence to Inform Decisions about Effectiveness (DEcIDE) Network. The DEcIDE Network conducts accelerated practical studies about the outcomes, comparative clinical effectiveness, safety, and appropriateness of health care items and services.

As proposed by the House, the conferees do not intend for the patient-centered health research funding to be used to mandate coverage, reimbursement, or other policies for any public or private payer. The funding shall be used to conduct or support research to evaluate and compare the clinical outcomes, effectiveness, risk, and benefits of two or more medical treatments and services that address a particular medical condition. Further, the conferees recognize that a “one-size-fits-all” approach to patient treatment is not the most medically appropriate solution to treating various conditions. Research conducted should be consistent with Departmental policies relating to the inclusion of women and minorities. The Senate did not propose similar language.

Within the total for Research on Health Costs, Quality and Outcomes, the conference agreement includes \$15,904,000 for the Prevention and Care Management program instead of \$24,404,000 as proposed by the House and \$7,100,000 as proposed by the Sen-
